DIGEST OF INTRODUCED BILL

Citations Affected: IC 20-5-2-1.2; IC 21-3-13.

Synopsis: Full day kindergarten. Requires the governing body of a school corporation to establish either a full day or a combination full day and half day program for kindergarten. Provides that the parent of an enrolled kindergarten student determines whether the student attends kindergarten for a full day or half day. Provides a grant to each school corporation that offers a full day kindergarten program, with the amount of the grant equal to the additional amounts a school corporation would receive for tuition support, the growing enrollment adjustment, the at-risk grant, the transportation distribution, and the primetime distribution if each full day kindergarten student were counted as one pupil rather than one-half pupil for purposes of the distribution formulas.

5	would receive under IC 21-3-3.1 for the year if each	
6	student attending a full day kindergarten program were	
7	counted as one (1) ADM; minus	
8	(B) the transportation distribution the school corporation	
9	will receive for the year under IC 21-3-3.1.	
10	STEP FIVE: Determine the result of:	
11	(A) the primetime distribution the school corporation

14	as one (1) ADM; minus	
15	(B) the primetime distribution the school corporation will	
16	receive for the year under IC 21-1-30.	
17	STEP SIX: Determine the sum of the results determined for	U
18	the school corporation in STEP ONE through STEP FIVE.
